Dear Parents and Carers,

### **ONLINE ACCESS**

I hope that your child's experience of returning to school has been as positive as possible within the current circumstances.

After the experience of school closure earlier this year we are now preparing in case there are any further interruptions to school attendance which may affect a class, a year group or even the whole school.

Online resources will be an important part of our remote learning package and it would help our planning to have a good understanding of the access pupils have to IT equipment and the internet.

We would greatly appreciate you taking the time to complete and return the attached slip by Friday 18<sup>th</sup> September 2020.

Yours sincerely
