DAYS OUT: IN THE COUNTRYSIDE

Here is a description of the fun you can have in the countryside. After you've read it, draw lines to match up the words and phrases with their meanings.

One has been done for you.

picnic

up to my waist

not to be discovered

went bananas

sniffed out

reappear

ages

battled

came across

dangled

tumbled

unforgettable

a long time

hide

fell

meal outside

found

very long

always remembered

come back again

went mad

smelled

hung

fought
