Dear Parent/Carers

SAFE TRAINING EDUCATION PROGRAMME – STEPs

The school are commencing a Safe Training Education Programme provided by BCP Council and your Y4 child has been offered a place on the scheme.

STEPs involves training children at the roadside in small groups under the supervision of an adult. They will be supervised, with a ratio of one adult to a maximum of six children. All children will wear high visibility reflective tabards whilst being trained.

For your child to be able to take part you should sign the form below and return it to the classteacher. Please note that STEP s are unable to train your child until the slip has been completed and returned. The information is then shared with the STEP s team. Verbal permission or a note in the school diary is not acceptable for this event.

The following classes will have training on:

4RS	Thursday 7 October	1.30 pm
4DA	Thursday 14 October	1.30 pm
4SL	Thursday 4 November	1.30 pm

Please remember that this training is a long-term project and it is preparing children for future safety on the road. The STEP s team and the school strongly recommend that your child is supervised by an adult outside of school hours and accompanied by an adult whenever crossing the road.

Yours sincerely
