

## Oakdale Junior School - Sports Premium Action Plan 2017-18

The Sports Premium Money is additional funding from the Government to develop, enhance as well as make additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

The purpose of the money is to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and well-being as well as reach the performance levels they are capable of.

The amount of grant received: approximately - £20,000  
(Received in 2 payments, November 2017 and May 2018)
